* Some restrictions apply. Service not available in all areas. Free wireless router promotion limited to stock on hand. Offer ends on July 31, 2012 or when wireless router inventory is gone. Maximum of 75 wireless routers will be available. Early termination of the service, within 12 months from installation of the service, will result in a charge of \$99 applied to the customer's bill. If your new Internet service requires a modem in addition to the wireless router, SCTC will provide one at a one-time discounted price of \$25.
